Foreword

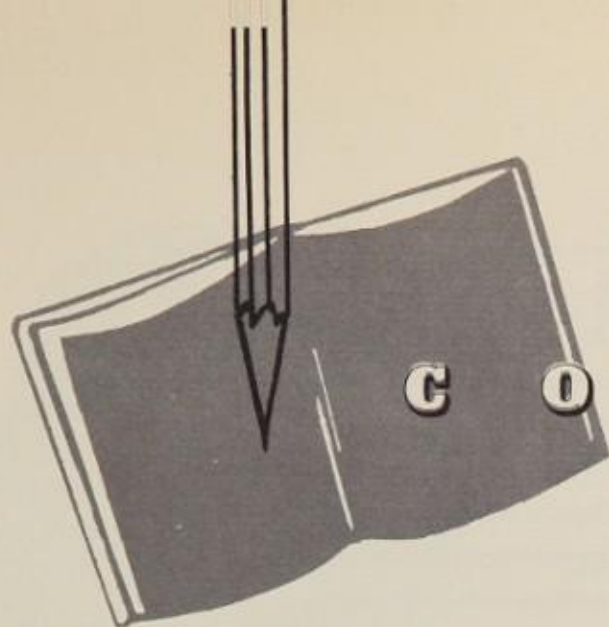

We, the Class of 1954, feel it fitting that our Foreword—which is likewise our final word—as we take leave of our beloved West High School should be a few reflections on this our life in the land of the free.

Freedom is so free in America that, like running water, we take it dangerously for granted.

Most of us will never wholly appreciate it, but we pause here at least to take cognizance of what is perhaps our most fundamental freedom—our American public school system. Here no caste, no race, no creed is denied the opportunity to learn.

Education, we feel, is the fundamental freedom because without the ability to read an application for employment, a prayer book, a poem; or write a letter to a friend, a signature on a deed; without a mind released from the chains of ignorance how could the other freedoms, from want and from fear, freedom of speech or even to worship, ever be understood in the fullness of their blessings.

We may not fully appreciate our freedoms, but we do cherish them enough to be fervently grateful that by the grace of God we were born in America.

dedication

Shaper of Human Destiny is truly the role of our beloved Mr. Neeb. In many a year no graduate has left West High School without the imprint of Mr. Neeb's expert guidance and kindly counsel, not alone upon our school activities from the selection of a Freshman study course to our place in the commencement march, but usually on our choice of a college, a job, and a career. In thoughtful appreciation of his many years of devotion to West High School students we, the class of 1954, affectionately dedicate this book to Mr. Neeb.

JANUARY

The January Class of 1954 was organized in the spring of '53 with the election of the following class officers: Jerry Ruffner, President; Fred Elder, Vice-President; Jeannette Lyle, Secretary; and Pat Manus, Treasurer. The first class meetings were held in the spring.

Class rings were purchased before the summer and became one of the seniors' most cherished possessions.

In the fall, committees were appointed and senior business was undertaken in earnest.

Expense money was gathered from several sources. First an out-door movie was sponsored at Miles West Broad drive-in theater on November 6, 1953, which proved to be a financial success. Next came the sale of name cards and invitations and the collection of class dues.

The informal Mixer was held on December 3 in room 150 and featured the usual rural theme.

The Senior Banquet was held on January 13, and a week later the Senior Prom high-lighted all other senior activities and was a dance never to be forgotten.

Baccalaureate was held on January 24 and commencement exercises followed on January 27. Thus ended twelve years of public school for the seniors. While high school days for the January Class were ended officially, each knew in his heart that the memory of these days spent in our beloved West High School would be with us always and that loyalty to our Alma Mater would never diminish within us.

As towards the west the constant sun proceeds

Day after day across the sky,

So do our hearts hold true to you,

West High, West High, West High.

Men view the sun in many a distant land,

His face still westward in the sky;

Though we should go as far, we'll love

West High, West High, West High.

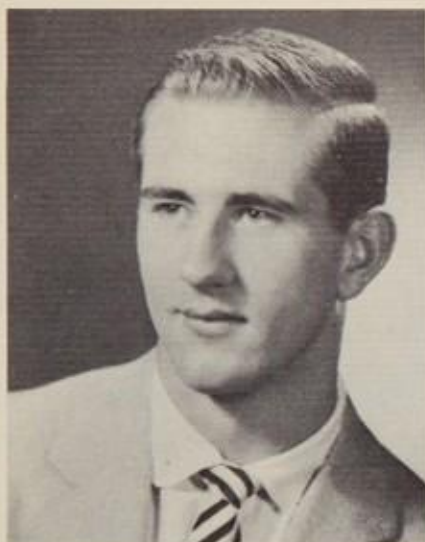

And 'til the sun forgets his ancient goal

And seeks a new path through the sky,

Our loyal hearts shall beat for you,

West High, West High, West High.

Class Officers

JUNE

The June Class of 1954 elected the following officers in the early fall of 1953: Bob Brownlee, president; Jerry Horn, vice-president; Carolyn Weidner, secretary; and Wanda Freeman, treasurer. The first class meeting took place on the morning of October 21 when the class decided on the amount of dues they were to pay and set the date for their Senior Mixer which was held in the gym November 20. Soon afterward rings, pins and lavaliers were purchased, each senior hastening to wear them as conspicuously as possible. Money expended on class activities was derived from the collection of class dues and the sale of name cards and invitations. The Senior Banquet was held in May and every senior has memories of the Senior Prom which took place a week later. Baccalaureate was held June 6 followed only a few days later by the last gathering of the seniors, their graduation. Though they have left these halls and classrooms, their thoughts will wander back throughout coming years to the experiences they have gained here, and these thoughts will become a silent tribute to their Alma Mater, West High School.

The club not only participated in Thanksgiving and Easter assemblies but also published the program for the Homecoming game, formed a basketball team of nine members, attended the Hi-Y conference at Athens, December 5, and had charge of the checkroom at all the home basketball games. On February 9, the Hi-Y sponsored an assembly in which Mr. George Campbell was the guest speaker. They participated in the Hi-Y City Day when all the Hi-Yer's in Columbus took over the city offices for one day. They helped for two days in the Model Legislature where the boys from all over Ohio take over state duties.

Homecoming, highlight of the year's football activities, was an event of October 23 and 24. Our Queen Pat Manus, and her court, Judy Hurt, Carol Elliott, Louise DeMastry, and Anita DeMatteo, with their escorts, were the honored guests at the Homecoming game.

Half-time ceremonies consisted of a special program by the band and cheers for the queen and her court, and was highlighted by the traditional good-luck kiss bestowed upon co-captains Jim Johnson and Jack Eppert.

The following evening at the annual homecoming dance, the queen and her court were escorted to the platform and crowned, after which they presided over the evening's activities.

Certainly no season held more heartbreak for a football team than the one of 1953 did for the West Cowboys. Five games were lost by seven points or less indicating the Cowboys were on almost even terms with every team they played. Only two teams really showed superiority, Aquinas and Central. In these two games, unlike the others, a break for the Cowpokes would not have changed the outcome. However, the season was not without it's high moments. Staging a great comeback, West scored three times to continue a decade of superiority over the South Bulldogs, while the North eleven was completely outplayed, though the game ended in a tie. The champion Linden McKinley squad had to come from a two touchdown deficit to grab victory and a giant Canton Lincoln squad was reeling at game's end in winning a one point victory. The cold won and lost record was not good but the effort and determination of a fine group of individuals still made 1953 a proud season for West.

Reserve Football

The 1953 West Reserves ran true to form as the Cowboy seconds won the championship in their class defeating North 14-2 on November 16. In 1950 and 1951 the Reservists won the league title and in 1952 were co-champions with East. By being 1953 undisputed champions, they give West three Reserve League titles and a co-title in the last four years of reserve competition. The Reserves won six, tied one, and lost one (their first game of the season to Upper Arlington 13-7). The 1953 Reserves were coached by a new member of the West High School faculty, Carl Brenning, who is also the new health teacher and junior high basketball coach.

Cross-Country Team

JACK MADDEN

West High can be very proud of it's distance runners — the Cross-Country team of 1953. Coached by Rufus Glass, the team swept through all but one dual or triangular meet and then ended in a blaze of glory. The first step was the capturing of the City Championship. The Cowboys scored the winning low total of 21 points. Following the city triumph, the team had stiffer competition but had enough to capture the title of the Central District. Their winning score was 31 points. In the state finals held at Springfield, West finished sixth with a total of 179 points. Individually, the Cowboys showed well also. Ralph Wheaton was crowned City Champion as he ran the two-mile course in ten minutes and 27.7 seconds to set a new record. In addition, Jack Madden, Tom Coffman, Ron Parkinson, Glyn Davis, and Ted Dean were in the first ten to finish. In the state, only Wheaton placed in the first twenty as he nailed thirteenth place. As a result of their victories, the boys added two beautiful trophies to the school collection.

Annual Staff

The 1954 annual had its beginning in May of 1953 when Barbara Booth, this year's Editor-in-chief was selected. She, in turn, appointed her staff who met with her throughout the summer to discuss the various problems and plans in publishing an annual.

The book actually began to take shape in September when last-minute details were completed and the layout was made. For the first time in the history of the West High Journalism Department, the Occident, our yearbook,

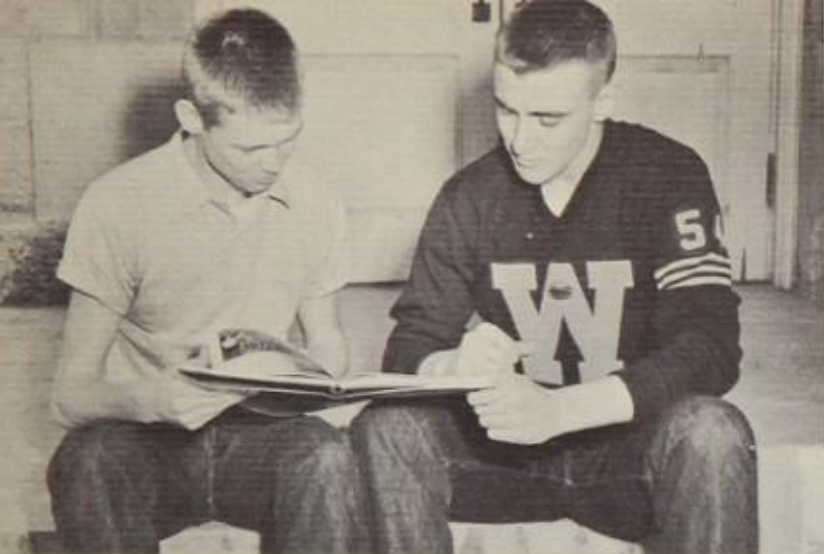

was being completely pasted up and put into finished form by the annual staff. Each page of the book you now see before you was laid out on large white boards; every word of print and each picture was pasted down just as it appears here. In this way, the staff could see just how the book would look, long before it was published.

It meant much more work but it was well worth the effort, for here it is at last, after worries, tears, and laughter, our own — your own, 1954 annual.

The hard-working students of the Business Ad class are the salesmen who solicit the businessmen on the Hilltop and downtown to obtain advertisements for the annual and Occident. These students help to supply the funds needed by the Journalism Department.

Competition in topping each other's quotas is fun for the Business Ad students and provides them with experience in dealing with businessmen.

Hard work and enthusiasm are the two requirements for each member of this class.

Occident Staff

Behind every issue of the Occident lies writing, reporting, research, writing "heads", proof-reading, and, of course, the all-important deadlines! However, these are all necessary parts of the machine that makes our paper possible. Although producing a monthly publication punctually and accurately is a hard job, there are many compensations. Nothing can surpass the

satisfaction of seeing "your" work in print or "your" by-line heading a particularly tough story. For this reason, not a member of the staff will soon forget the knowledge he has gained or the experiences he has enjoyed. Roger Thompson was first-semester editor of the Occident this year, followed by Beverly Booth, second-semester editor.

"Strictly Puritan"

JUNIOR CLASS PLAY

On November 25, the members of the Junior High Student Council under the direction of Mrs. Velma Millhone, presented a one-act comedy entitled "Strictly Puritan" in a Junior Thanksgiving Assembly. In the play, a group of modern teen-age boys and girls attempt to carry out a "Strictly Puritan" Thanksgiving party but decide it is more important to get the spirit of the first Thanksgiving rather than mere details. The play expressed the sincere wish of the boys and girls to be thankful for their blessings.

VOCAL GROUPS ADD MUSICAL VARIETY TO PROGRAMS

The groups shown on this page have represented the West High vocal department, under the direction of Mrs. Edith White, many times this year at school and publicly sponsored functions. They were heard in the annual Christmas and Spring concerts on December 20 and May 23 and the concert given for the Masonic Temple, April 3. These groups have had the honor of participating in such contests as the O. M. E. A. district contest and performing for many banquets, organizations, and church services.

Choir

The West High Choir, under the direction of Mrs. Edith White, not only furnished music for school and community sponsored functions but they also competed in contests and, together with the school's other vocal departments, gave annual spring and Christmas concerts. The West High School Choir also participated in the programs given by the combined high school choirs from all the Columbus Public Schools at the Central Ohio Teachers' Association Convention on October 30, and the Christmas festival at Central High School on December 20. In January, the choir was host to the Columbus Little Symphony directed by Claude Monteaux. They sang "Preludes To Eternity" accompanied by the symphony.

The choir's program for the spring months included performances at the Masonic Temple on April 3, the Lion's Club on March 2, and the Rotary Luncheon on April 5.

Beginning Girls' Chorus

The Girls' Chorus is largely a preparatory training class for girls who would like to be a part of the choir. There are no specific requirements for chorus; it is open to any girl in senior high school. Not only is vocal training taught but also music theory and appreciation.

This year the Girls' Chorus was presented, in addition to the choir, in the annual Christmas and spring musical programs.

Dance Band

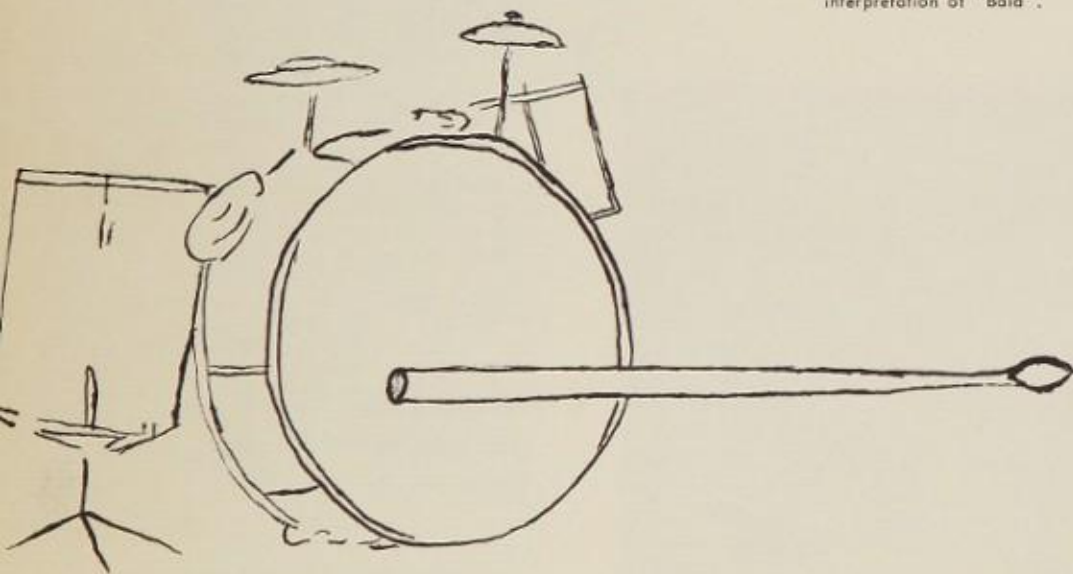

There was a certain spark behind all the dances and activities that we will remember from this year. It was, of course, the West High Dance Band. The fifteen members of this year's band, pictured below, were directed in their swinging rhythms by Claire Barnard. A few of the important activities at which the band set the pace were the dances after the football and basketball games, the Sales Tax Show and the Band Variety Show.

JUNE CLASS PLAY AND CAST

"THE HOOSIER SCHOOLMASTER"

The two senior dramatics classes take time out from a rehearsal for a little fun.

left to right, Linda Bryant (Betsy), Kay Glass (Mrs. Means), Dave Williams (Hank), Queenie, the dog, Barbara Booth (Hannah), Ronnie Klein (Rolph), and Sue Redman (Martha) in a scene from "The Hoosier Schoolmaster."

On May 7, 1954, a cast and crew of approximately eighty students presented the comedy-drama, "The Hoosier Schoolmaster," directed by Mrs. Evelyn Hall. The play takes place in the latter part of the nineteenth century in the backwoods district of Flat Crick, Hoophole County, Indiana. It concerns a young schoolmaster (Ronnie Klein) who comes to the Hoosier state to try his hand teaching the unruly pupils of the "Flat Crick" School.

In doing so, he meets and falls in love with Hannah Thomson (Barbara Booth) a young girl, bound out to the unscrupulous Means family, with whom he is obligated to board for a period of some weeks. Complications arise in their budding romance through the scheming of the jealous Mirandy Means (Mary Martindale). In addition, the schoolmaster is accused of being involved in robbery and is forced to flee from Flat Crick to escape lynching.

However, all ends well for the memorable characters of this popular folk-story, after a gripping and dramatic court scene.

Dear Students:

It has been a pleasure and a compliment to have served as "Official Photographer" for your graduation portraits and 1954 year book. We wish to thank each and every one of you for the fine cooperation extended to us during the picture-making period. It is through this cooperation that the 1954 annual is one of the finest published by West High School.

We wish to thank the faculty, Occident staff, Editor and the Journalism department for their cooperation and assistance. The Occident staff has done an excellent job in the editing and writing of the year book and we are proud to have been selected by you to do the photography.

Mrs. Allen, myself and my staff extend heartfelt congratulatory good wishes, good health and good luck for a happy and prosperous future.

We have made many friends in this class and it is our aim to continue this warm friendship, seeing it grow with the years to come. We want you to stop in any time and say hello.

Again thanking you and wishing you Godspeed to the top of the ladder of success and the world of tomorrow, I am,

Which is stronger

?

IT'S the one on the right because it's a door of an American home. No one can get through without permission. Not even a policeman, unless he has a search warrant.

Here, in America, your right to freedom from search without warrant is guaranteed by The Constitution itself.

How different behind the iron curtain! There, the people have no such protection. And even a solid oak door, strong enough to guard a fortress, can't keep out the secret police. When they want in they get in, eventually, even if they have to use a battering ram. But the flimsiest screen door in America can keep out the police unless they have a search warrant.

Because we Americans take our rights for granted, it's hard to believe that there are "pinkos" and fellow-travelers amongst us who want to take away our freedom from search without warrant. It's just part of their plan to steal all our rights, like the right to own property, the right to work wherever we please, the right to vote secretly and all the rest.

The best way to protect a right is to use it. So if you ever hear anyone come out in favor of permitting arbitrary search and seizure on some pretext or other, set him straight! Remind him that freedom from search without warrant is a right guaranteed every American by The Constitution.

Remember, they're *your* rights, so treat them *right*!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship
- Right to secret ballot
- *Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- *Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- *Right to know if your union officers are Communists
- *Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- *Right to hear your employer's side of disagreements
- Right not to appear as a witness against yourself
- *Right to refuse to permit the "check-off" of union dues
- *Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- *Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- *Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- *Right not to be fired by union leaders
- *Right to vote on company's best offer
- *These are rights you enjoy under the Taft-Hartley law.
- **This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

**THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!**
